

PHILADELPHIA BLACK BUSINESS DIRECTORY

2021 EDITION

Supported by:
CITY OF PHILADELPHIA
AND BEECH COMMUNITY SERVICES

Welcome to the 2020 edition of the Philadelphia Black Business Directory. As a leader in community development in the region, the Beech Companies, Inc., through Beech Community Services, has published this directory in an effort to identify and promote Black-owned businesses in the city of Philadelphia.

The directory is part of the nationwide movement to support Black-owned businesses throughout the Philadelphia region and includes over 500 businesses owned by African-American, African and Caribbean entrepreneurs. Beech and other community development organizations must lead the way in organizing our communities around Black Economic Development. That was one of the goals of the late Floyd W. Alston, visionary and founding president of the Beech Companies.

Promoting and supporting Black-owned businesses is an essential aspect of the ongoing movement to harness the economic power of Black communities in Philadelphia and this directory is a vital component.

Supporting Black-owned businesses supports Black families, raises the income level of the community at-large, and is the first step towards self-sufficiency and real group empowerment. The directory is founded on the Kwanzaa principle of Ujaama – cooperative economics – that should be practiced on a daily basis.

Sincerely,
Dr. Kenneth Scott
President/CEO
